*“At Cerner, we have the opportunity and the obligation to make healthcare more equitable and dignified for everyone. Cerner Charitable Foundation’s initiatives are an extension of this work. I’ve seen firsthand how the foundation is making an impact through its health and wellness programs, grants and volunteering. I’m incredibly proud of our ability to work together to address the drivers of health and support patients, families and communities all over the world.”*

**- David Feinberg, President & CEO, Cerner**

# From the Executive Director

*Dear Foundation Supporters,*

As we report out on the foundation's work throughout 2021, it is important to begin with a heartfelt thank you. We remain committed to providing equitable access to healthcare for children around the world and building strong, vibrant communities. Our work is not possible without the generous support from Cerner, associates, business partners and all our generous contributors.

While the pandemic continued to challenge daily life, the foundation exceeded the mission-driven goals of ongoing programs while pivoting to support COVID-19 relief and recovery efforts on a global scale.

Here are just a few 2021 highlights from our philanthropic work around the world:

- Awarded \$2.8M in grant funding to children in 23 countries for life-changing and life-saving healthcare
- Gave \$304,685 to nonprofit partners addressing the social determinants of health
- Delivered health and wellness programs to 27,296 students in 27 states
- 58,751 hours logged in volunteer service to our communities
- Lead the volunteer effort for Operation Safe mass vaccination clinic with 4,250 unique volunteers delivering nearly 100,000 vaccines in 32 clinic days.

Looking ahead to 2022, Cerner Charitable Foundation is poised and well-positioned for a strong year making a meaningful difference for individuals and communities around the world.

I am proud to be your partner in service to our communities and in striving for equitable access to healthcare for all.

# From the Board of Directors

*Dear Foundation Supporters,*

Thank you for your ongoing commitment to Cerner Charitable Foundation. Our unique charitable model reflects Cerner associates' ability to put our mission in motion. Through this report, you will see powerful examples of the mission-driven efforts, generous lifesaving and community-changing grants, innovative health and wellness programs, and COVID-19 relief efforts on a global scale—all made possible by your generous support.

One of the most exciting aspects of Cerner Charitable Foundation is that it reflects the collective effort of Cerner, associates and foundation partners giving their time, expertise and resources to close the gaps in healthcare for children and reduce disparities in our communities. Being named a 2021 Corporate Champion by Ingram's Magazine is a testament to this work and is an honor we can all share together.

Cerner Charitable Foundation inspires associates to give back to their communities around the world and to causes close to their hearts. Associates' passion for volunteering is evidenced by the nearly 59,000 hours of associate-logged volunteer time and by Cerner's volunteer time off policy for all associates. Working together, Cerner associates are impacting the health and wellness of our communities and world.

On behalf of Cerner and the entire foundation Board of Directors, I would like to commend Cerner Charitable Foundation on an impact-filled year and thank each of you for your shared vision of an equitable world where individuals and communities thrive.

As we strive toward our vision of an equitable world where individuals and communities thrive, Cerner Charitable Foundation strategically awards grants supporting equal access to healthcare for individuals and to nonprofit organizations improving the communities we call home. Like all foundation programs, health, home and heroes are at the heart of Cerner Charitable Foundation's grant programs.

By directing our resources toward the areas of greatest need, we connect children to essential medical care, community organizations addressing the social determinants of health to resources, and veterans and healthcare organizations to strategic grants that further their missions.

# Providing equitable access to healthcare

## Individual medical grants for children

Inequities like financial constraints, insurance limitations and geography sometimes make it impossible for families to cover medical expenses. Cerner Charitable Foundation's largest and longest-running program provides individual medical grants for children in need. In total, our associate-led committee reviewed applications and granted \$2.8M to 903 children in need in 2021. Grants support clinical care, medical equipment, travel and displacement, and vehicle modifications.

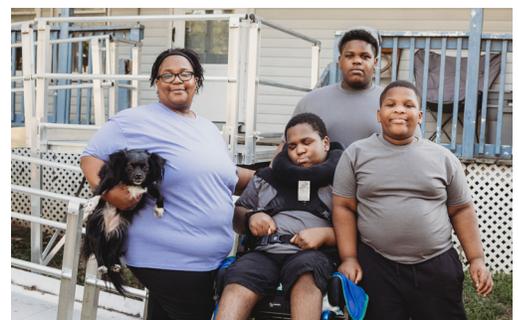

### Total dollars granted

Domestic: \$1,346,971 to 519 children

Global: \$1,455,139 to 384 children

### Children from

- |                                  |                                  |
|----------------------------------|----------------------------------|

## Caring for associates in crisis

### Cerner India Associate Relief Grants

The COVID-19 surge in India during the spring of 2021 was heart-wrenching. In direct response to the extraordinary circumstances and as a demonstration of support for our fellow Cerner associates, Cerner Charitable Foundation extended our typically child-focused case grants to Cerner India associates during that critical time. Grants were available for immediate medical, travel, displacement and other related expenses. In total, more than \$215,000 in relief grants were made to 128 associates grappling with the pandemic.

*“The foundation’s generous donation for intensive physical therapy made our entire family literally drop to our knees. We thought this has to be a miracle!”*

**– William, Heitor and Beatriz’s Dad**

## Heitor & Beatriz

More than 75% (\$2.1M of \$2.8M) of our individual medical grants support clinical care for children in need. Two children accessing clinical care thanks to foundation grants were siblings six-year-old Heitor and four-year-old Beatriz. To pursue the best possible medical care for their children born with cerebral palsy, the family temporarily moved from Brazil to St. Petersburg, Florida. Even after the move, the recommended intensive physical therapy was out of reach financially.

Individual medical grants from Cerner Charitable Foundation provided the opportunity to pursue the necessary treatment and allow the siblings to reach their highest potential. During therapy, their attention and focus became more apparent. They started sitting on their own and their motor function increased. Through the strides made during and after this therapy, Heitor and Beatriz are able to live fuller lives!

# Addressing the social determinants of health

## Community grants

Through our community grants program, Cerner Charitable Foundation supports community nonprofits with particular focus on funding initiatives that address the social determinants of health in regions where Cerner associates live and work.

To build stronger, healthier communities across the U.S., the foundation issues community grants that fund economic stability, education, social and community context, health and healthcare, and neighborhood and built environment. In 2021, our associate-led committee awarded community grants to bolster the work of 72 fellow nonprofit organizations, further extending Cerner Charitable Foundation’s reach and maximizing our impact.

**\$304,685** provided to **72 organizations** addressing the social determinants of health

Grants made to organizations in **6 states** (Illinois, Kansas, Missouri, New York, Pennsylvania, and Utah) and Washington, D.C.

**45%** of community grant dollars support access to quality education

## Honoring healthcare and veteran heroes

### Elizabeth Dole Foundation Hidden Heroes Campaign

Through the multi-year, multi-faceted campaign, Elizabeth Dole Foundation is bringing attention to the untold stories of military caregivers and seeking solutions for the challenges and long-term needs they face. These hidden heroes care for our wounded warriors at home.

As part of our mission to support U.S. veteran and military communities, Cerner Charitable Foundation contributed \$25,000 to Elizabeth Dole Foundation’s Hidden Heroes Campaign. Elizabeth Dole Foundation is the premier nonprofit organization in the U.S. providing a voice to the millions of family members charged with the care of their wounded or ill veteran or service members.

## Kanbe's Markets

Food insecurity is a devastating barrier keeping people from reaching their full health potential. Kansas City area nonprofit Kanbe's Market makes nutritious, fresh produce more readily available in neighborhoods without grocery stores and with limited transportation resources. Cerner Charitable Foundation's \$8,000 community grant to Kanbe's established a Healthy Corner Store location in Kansas City's Blue Hills neighborhood.

Housed in an In-N-Out Mini Mart, the Healthy Corner Store makes healthy produce available to customers. Kanbe's provides partner stores with free sourcing, daily deliveries, inventory tracking and more. Produce is sold on consignment to keep prices low for customers and profits are shared with shop owners.

We're proud to support Kanbe's and their quest to address systemic food inequities in our communities.

## Giving globally

Extending philanthropy around the world

By supporting the philanthropic efforts and interests of Cerner associates, we extend our reach around the world. In 2021, Cerner Charitable Foundation awarded strategic grants to boost in-country payroll giving from generous associates. By amplifying associate donations, we are able to make an even bigger impact.

**\$256,253 USD** in total giving to global nonprofit partners from Cerner Charitable Foundation and Cerner associate contributions

### Global Nonprofit Partners

#### Bangalore North Round Table, India

In-school wellness screenings and school sanitation improvements

#### Bear Cottage, Australia

End-of-life care for children and bereavement support for their families

#### Childhood Cancer Canada

Information and resources to help navigate childhood cancer diagnoses

#### Hearts and Minds, UK

Peer-led charity and service for young people experiencing mental health difficulties

#### Karuna Trust, India

Prenatal care for underserved women in Karnataka

#### North Paddington Food Bank, UK

Food to support community members facing food insecurity

#### Re-engage, UK

Life-enhancing social connections for older people

#### Stephen Hawking School, UK

Quality education for children with profound learning and healthcare needs

#### Variety—the Children's Charity, Australia

Support for children and families facing sickness, disadvantage or living with disability

## Variety—The Children’s Charity, Australia

With a shared passion for addressing inequitable access to healthcare for children, Variety—the Children’s Charity Australia is a natural fit as one of our global partner charities. Through grants for healthcare, education, necessary medical equipment and more, Variety reaches out to children in need. Just like Cerner Charitable Foundation, Variety believes all children have the right to attain their full health potential regardless of ability or background.

As pandemic lockdowns and school closures stretched on in Australia, children without computers or internet connections were at an educational disadvantage. Variety’s innovative We Learn program delivered the devices children needed to continue learning from home. Thanks to Variety-provided devices, more than 400 children were able to stay connected to teachers and classmates during this challenging time.

Cerner Charitable Foundation proudly gave \$20,000 USD in grants to Variety—the Children’s Charity to continue their important work addressing health inequities.

*“We don’t like any child falling through the gaps. We look to support any child that is sick, disadvantaged, or living with disability.”*

**- Peter Harvey, Head of Fundraising and Development, Variety—the Children’s Charity**

# Cerner associate-led giving

Making a difference in communities where associates live and work

Through spinning sessions, mustache-growing, cooking classes, obstacle courses and more, associates around the world devised creative ways to drive change for causes and NGO organizations close to their hearts. Here is a sampling of global associate endeavors from 2021.

## Australia

**Movember:** In conjunction with associates in France, Australia associates raised \$2,402 USD for this charity that is changing the face of men’s health on a global scale, focusing on mental health and suicide prevention, prostate cancer and testicular cancer. Cerner Charitable Foundation contributed \$250 USD to support their efforts.

**Bear Cottage:** For the final year, associate contributions in the amount of \$15,247 USD were directed to this organization that provides support, respite and end-of-life care for children. In 2022, associate contributions will go to Variety—the Children’s Charity.

**Variety—the Children’s Charity:** Cerner Charitable Foundation gave \$20,000 USD in grants to Variety—the Children’s Charity to continue their important work addressing health inequities.

## Canada

### Childhood Cancer Canada

**Foundation:** Associates donated \$3,578 CAD to support this NGO’s EmPower Pack Program to provide families with information and resources to help navigate childhood cancer diagnoses. Cerner Charitable Foundation matched their effort with an additional \$2,821 USD.

## Cerner Middle East & Africa

### Ramadan Cerner IFTAR 2021:

During the holy month of Ramadan, associates raised 30,000 AED to supply 2,000 meals to migrant workers during the fasting month.

## France

### Petit Coeur de Beurre:

Associates organized a team-building cooking event. A contribution was made on behalf of participating associates and matched by Cerner Charitable Foundation to provide 440€ to the Petit Coeur de Buerre NGO to support children with congenital heart defects.

**Movember:** Associates in France joined efforts with associates in Australia to raise funds for this charity that is changing the face of men’s health on a global scale, focusing on mental health and suicide prevention, prostate cancer and testicular cancer.

## India

**Bangalore North Round Table:** Associates donated ₹5.8M INR through payroll giving to support this NGO's school-based screenings program, improve school sanitation and provide clean drinking water for students.

## Ireland

**St. James Hospital Foundation:** Associates participated in a four-mile race through Dublin with proceeds benefiting St. James Hospital.

**Save the Children:** Associates in Ireland and the UK raised \$500 USD and Cerner Charitable Foundation contributed \$500 to Save the Children, a leading humanitarian organization for children.

## Romania

**The Association for People with Disabilities:** Associates created a team building obstacle course and collected \$350 USD in registration fees. Cerner Charitable Foundation matched that amount to provide a \$700 USD donation to support this NGO.

**Bucuria Darului Foundation:** Associates donated clothing items, toys and necessities and raised 1,000€ to buy shoes for children living in a group home.

## Sweden

**BarnCancer Fonden Spin of Hope Event:** Cerner Charitable Foundation provided \$750 USD to match associates who participated in a spin-a-thon to raise money for BarnCancer Fonden. In all, over \$4,500 USD was raised to aid in research for childhood cancer in Sweden and develop new treatment methods and continuing education to support local communities.

## United Kingdom

**Hearts and Minds:** Cerner Charitable Foundation UK provided £7,800 GBP to this peer-led charity for young people experiencing mental health difficulties.

**North Paddington Food Bank:** Associates donated £6,651 GBP to North Paddington Food Bank to support food insecure community members.

**Re-engage:** Cerner Charitable Foundation UK donated £1,000 GBP to Re-engage which provides vital, life-enhancing social connections for older people at a time in their lives when their social circles are diminishing.

**Stephen Hawking School:** Cerner Charitable Foundation UK provided £20,000 GBP for an additional music therapist to enhance the school's mission of raising the standard of educational achievement for children with profound, multiple and severe learning, health and care needs.

# HEALTH AND WELLNESS PROGRAMMING

Life circumstances can keep children from accessing essential healthcare and developing their full health potential. By bringing health and wellness programs to schools, Cerner Charitable Foundation strives to close these gaps for children. With wellness screenings in elementary schools, a social-emotional wellness program in middle schools and a healthy lifestyle curriculum for high school students, we are bringing difference-making programs to children in need. Our health and wellness programs are delivering equitable access to healthcare and health resources to children across the Kansas City metro area and around the country. With an aim to support children reaching their full health potential, we delivered programs to partner schools in 27 states.

*For a complete list of partner schools, please see [page 98](#).*

# Identifying potential issues to prevent future problems

## Elementary school wellness screenings

To catch potential health concerns before they become critical, Cerner Charitable Foundation delivers comprehensive wellness screenings to elementary children across the city. We seek out schools and school districts with students in need. Our partner districts average 61% of students qualifying for the federal government's free and reduced lunch program and 6% of students experiencing homelessness.

We coordinate our head-to-toe screenings in conjunction with school nurses and administrations to ensure reaching the most students possible. When follow up is needed, foundation offers financial support to connect children to care.

**12,339** students screened

**5,222** referrals for additional care and follow up

**\$26,594** in individual medical grants to support additional care (74% granted for dental care alone)

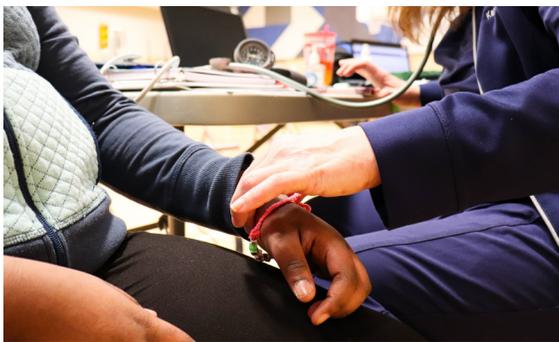

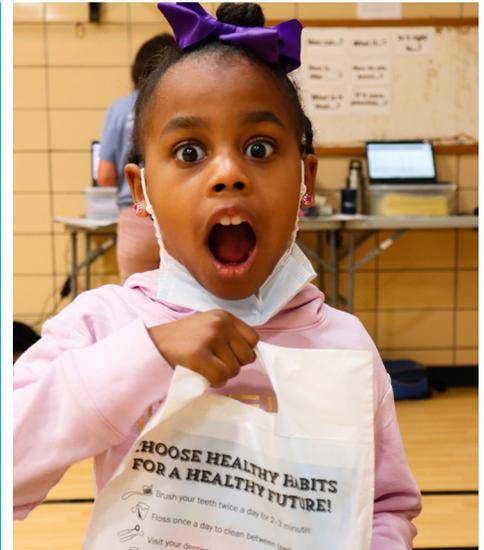

*“My school has a population of students who may be immigrants, the working poor, refugees and families who may be single parents whose access to healthcare is minimal at best. I know I have referred many students for grants. The care they receive may allow students to not only to succeed in school, but also to physically, be better, productive and healthier citizens.”*

– Cheryl Orr, School Nurse, Lee’s Summit School District

*“The Healthe Kids Team is so friendly, caring, and true partners in helping our students have access to education by ensuring they are healthy. It is a partnership for equity in health for everyone.”*

**– Angela Price,  
Principal, Center School District**

*“For some of those families, especially those in financial need or are underserved by insurance, the additional assistance for medical and dental resources and costs can really make a difference for the child. Ultimately, all kids who are screened are serviced, whether to reaffirm their wellness, or to identify their needs. A well child is better prepared to succeed in school.”*

**– Patty Buckholz,  
School Nurse, Hickman Mills School District**

*“When students are demonstrating poor behavior, they’re still communicating. If the social-emotional learning that Cerner Charitable Foundation offers is integrated into the everyday classroom, it’s much more beneficial and apt to carry through. If students are happy and healthy, they’re more inclined to listen, learn and focus on what the teacher is saying.”*

**– Dr. Rexanne Hill,  
Executive Director of Student Support, Lee’s Summit R-7 School**

## Developing emotional health

### Middle school social-emotional wellness program

Middle school is a time of tremendous growth and sometimes stress for children. Our middle school social-emotional wellness program provides comprehensive, evidence-based mental health support for students and staff that changes the culture of the schools we serve. Every student in the school participates and learns new skills to help them navigate the stresses and challenges of life. Every teacher participates in professional development opportunities related to what students are learning through the curriculum. When needed, the foundation funds a licensed social worker as an important resource for partnering districts.

**7,000** students served

**523** staff members received

**75 hours** of professional development

After three years, our formal partnership with Raytown Quality Schools ended in 2021. **Our program’s success in the district is evidenced by improved attendance, fewer behavior incidents and an average student GPA increase from 2.06 to 3.10.** In addition to gains in student achievement, the district has implemented trauma-informed policy practices. A social worker is now on staff at each of the district’s middle schools to meet student needs. Through the program, the district is now able to combine social-emotional learning data with academic data to drive decisions and student interventions.

*“It is such an integral part of students learning about healthcare and the choices they make in their lives. It helps them personalize the experience from the virtual patient to real experiences they have had in life.”*

**- Healthy lifestyle curriculum teacher**

# Learning today for healthier tomorrows

## High school healthy lifestyle curriculum

In high schools across the country, Cerner Charitable Foundation's healthy lifestyle curriculum empowers students to take control of their health. Through patient case studies, students assume healthcare roles to understand how the patient's health choices resulted in preventable conditions. As students work through the patients' story line, they are asked to reflect on their own health behaviors. 36% of students reported thinking more about their health behaviors at the conclusion of the program.

Teachers are always on the lookout for innovative ways to reach their students. The free curriculum is designed for in-person, online or hybrid learning which made it an impactful resource for teachers during the shifting learning environments of the pandemic.

**8,003** students in **27 states** participated in the program in 2021

## A trusted community resource

### Wellness Center at St. Sabina

The pandemic has re-emphasized an important truth: in the face of uncertainty, trusted community resources are essential. The Wellness Center at St. Sabina offers participants caring allies and respected resources on their health journeys. In response to participants' needs, the center adapted programs and services and expanded virtual and in-person offerings. Through health screenings, health literacy classes, physical activity classes and deep relationships, the Wellness Center helped participants meet their health goals. In 2021, 313 people visited the wellness center in-person or online a total of 5,490 times.

The Wellness Center at St. Sabina is made possible thanks to a grant from the Patterson Family Foundation. We are grateful for their essential partnership with this legacy program.

**PATTERSON**  
FAMILY FOUNDATION

*"You will never find a more positive and welcoming group of people than those that are associated with the Wellness Center. It feels like family and is the main reason I have continued attending classes, both pre-, during, and post-COVID. Kudos to all of them for bringing such wonderful classes to our community!"*

**- Wellness Center participant**

# VOLUNTEERISM & ENGAGEMENT

Cerner Charitable Foundation's work reflects the collective efforts and generosity of Cerner, Cerner associates, business partners and community members. Inspiring associates to volunteer in their communities and for causes close to their hearts is at the core of what we do. Additionally, providing meaningful ways for associates to engage in the foundation's philanthropic mission is essential to our success and our corporate culture.

# Together, working to improve our communities

Inspiring volunteerism around the world

Working together, Cerner associates can be a catalyst for change and help build a better world. The foundation curates volunteer experiences for associates around the world. In 2021, associates lent their time and talents to 801 nonprofit organizations around the world; here are a few highlights:

Associates logged **58,751 hours** of service to their communities

Associates in **Malvern** tended vegetable gardens at Springton Manor Farm to provide food to those in need.

In **India**, 64 associates created educational programming for school children and delivered the content during virtual school.

Associates volunteered at Habit for Humanity of **Kansas City's** Pride Build to assist LGBTQ+ homeowners with repairs and home maintenance.

In partnership with The NASCAR Foundation, associates built a playset in **Liberty, Missouri**, for a child battling pediatric cancer.

At Canine Partners for Life, **Malvern** associates prepared treats and training rewards for service dogs in training to help people with diabetes, seizure disorders or mobility issues.

In **Romania**, associates volunteered to clean up a popular mountain tourist destination through Environment Keep UP.

*“My favorite part about volunteering with the foundation is that it truly adds a sense of fulfillment to my life. Volunteering is also a time in which I gain renewed motivation and increase vision that I can incorporate in both my personal and professional life.”*

– **Mona Whiteside, Senior Healthcare Executive, Federal Client Adoption**

*“This whole ordeal was a BREEZE. I am mobility impaired, and I felt respected and seen. Everyone was so friendly, and everything went so fast! The volunteers were awesome. I almost felt like a VIP guest!”*

**- Operation Safe vaccine recipient**

## Vaccinating our community, together.

### Operation Safe

The Operation Safe COVID-19 mass vaccination clinic that launched on Cerner’s World Headquarters Campus and was staffed by eager volunteers is a shining example of Cerner’s passion for serving their communities. A unique coalition including Cerner, North Kansas City Hospital, Liberty Hospital, Clay County Public Health Center, surrounding municipalities and Cerner Charitable Foundation led the effort with a shared vision of safely vaccinating as many community members as possible and serving as a bridge clinic until vaccines could be widely available in retail pharmacies. Whether directing traffic, registering patients, administering vaccines or sanitizing the recovery area, volunteers powered every component of Operation Safe.

#### By the numbers

Nearly **100,000** vaccinations administered

**4,250** unique volunteers

**32** clinic days

*“I couldn’t have guessed standing in the parking lot for hours in the snow would have been one of the best days I’ve had in long time. Seeing my fellow associates and the community together really filled my extroverted cup.”*

**– Amanda Huffman,  
Senior Manager, ClientWorks**

*“I couldn’t be more proud of Cerner, our associates and the foundation as we readily opened our doors and volunteers to serve our community members. Operation Safe has allowed us to take one step closer in ending this pandemic.”*

**– Eva Karp, Senior Vice President,  
Chief Clinical and Patient Safety Officer**

# Meeting needs and spreading joy

## Back to School and Holiday Giving drives

For many in our communities, fresh school supplies, holiday meals and holiday gifts are luxuries that remain out of reach. Through seasonal drives like the annual Back to School campaign and Holiday Giving, generous associates make a direct impact on community members in need around the world.

### Back to School Campaign

When students receive needed school supplies it sets them up for a year full of learning. In 2021, we partnered Cerner associates with schools and nonprofits in **Bangalore; Exton, Pennsylvania; and Kansas City** to get the school year off on the right foot.

**352 students** adopted in Bangalore and Kansas City

**School supplies** donated to schools and community organizations in **Bangalore; Exton, Pennsylvania; and Kansas City.**

### Holiday Giving

Through the foundation's annual Holiday Giving campaign, Cerner Charitable Foundation embraces the holiday season as a time for generosity and good will to all.

**239 Thanksgiving meals** donated to families served by Veterans Community Project and Jackson County Family Court Services

**90 families** adopted across the U.S.

**126 children** adopted in Chester County, Pennsylvania

**646 toys** were distributed to Kansas City children in need

*"Words cannot express my gratitude at such a time, wow what a miracle!!!! Thank you, thank you, to all who made this INCREDIBLE moment for my little family."*

– Marina Mosheyev, adopt-a-family recipient

# Volunteering to provide essentials for children

## Care Kits

Volunteers power every level of the foundation's work. One clear example of the impact volunteers have on our operations is the Care Kit program. Through this long-standing program, children facing difficult times like entering foster care or experiencing homelessness receive their own kits full of age-appropriate personal items.

The kits give children essential items like toothbrushes and pajamas and create a sense of comfort and security. Whether hosting item drives, packing Care Kit orders or making blankets, associates are key to this important program and the children it serves.

**Boosted by volunteer support, 2021 was a record year for the Care Kit program.**

Community volunteers, like Northland CAPS students, are key to the success of the Care Kits program.

**8,274 Care Kits** distributed in **26 states**

To support communities impacted by the devastating Dixie Fire, Cerner Charitable Foundation sent 500 Care Kits to Plumas District Hospital in Plumas County, California. The kits were a welcome sight to families and children who lost so much in the fire.

# Supporting associates through tough times

## Associate Disaster Relief Grants

Wildfires, flooding, storms and more can quickly upheave lives. When natural disasters strike, our Associate Disaster Relief program is available to support impacted associates. Funding is available to help with costs not otherwise covered by insurance, such as displacement expenses like hotels and temporary housing, home repairs and even food replacement after extended power outages. This year, the foundation helped 68 associates recover from natural disasters around the U.S.

**\$86,800** granted in Associate Disaster Relief

### Provided relief for

Hurricane Ida (Louisiana and Pennsylvania)

Hurricane Zeta (Alabama and Louisiana)

Severe storms and flooding (Missouri)

Severe winter storms (Oklahoma, Louisiana and Texas)

Straight-line winds (Utah)

Cerner Charitable Foundation's premier fundraising events provide essential funding for equipment, medicine, surgeries and travel; wellness screenings to elementary students; social-emotional support and education initiatives in middle schools; healthy lifestyle education to high school students and families; and so much more.

Fundraising events are a key way to welcome the community to the foundation's mission and enjoy a world-class experience. After pandemic restrictions limited in-person opportunities in 2020, it was a thrill to see generous foundation supporters at two in-person fundraisers in 2021.

Our award-winning Jeanne and Neal Patterson Legacy Golf Tournament enjoyed an incredible comeback year thanks to returning and new sponsors. It was wonderful to see 370 golfers on the links at the National Golf Club of Kansas City over two days in the spirit of competition and in support of equitable access to healthcare for children.

After 2020's online event, Cerner Charitable Foundation supporters once again strolled through Kansas City's Westport neighborhood for a tasty tour in 2021. Event attendees enjoyed food and beverages as they bounced from spot to spot and shared their energetic support for the foundation's mission with a record-breaking fundraising total.

### Total dollars raised

- Legacy Golf Tournament:  
**\$851,932**
- Westport Bounce:  
**\$63,846**
- Virtual Masquerade Ball:  
**\$460,521**

### 2021 Event Highlights

- Our first-ever \$80,000 Founder's Level Sponsor, **Chip Beaver** of **Burr Computer Environments Inc.**, received the Spirit of Giving Award
- JE Dunn Construction** kicked off Masquerade Ball Fund-a-Need giving with a \$20,000 matching grant.
- Thanks to the **Patterson Family Foundation's** \$25,000 Masquerade Ball donation, the evening was a fundraising success.

Although pandemic precautions meant foundation supporters gathered virtually for the second year in a row, the annual Masquerade Ball was a successful night of music and fun for a great cause. We were thrilled to be part of Cerner Health Conference and welcome guests from around the world in support of closing the gaps in healthcare for children.

# Thank You to our 2021 Sponsors!

### Trust Information

Charity Watch and Charity Navigator use the Years of Available Assets metric as part of their nonprofit financial health ratings. Nonprofits with one to three years of available assets are rated more favorably than those with reserve assets outside this range. Cerner Charitable Foundation operates within the advised range of available assets.

### Recognized by GuideStar

Cerner Charitable Foundation earned a 2021 Platinum Seal of Transparency, the highest level of recognition offered by GuideStar, the world's largest source of nonprofit information.

# SUPPORTERS

Cerner Charitable Foundation is powered by the generosity of our individual and corporate supporters. Their 2021 support through payroll contributions; event admissions, auctions and contributions; online contributions; and peer-to-peer fundraising is acknowledged here.

# Thank you to our 2021 financial supporters

## Thank you to our in-kind donors

Thank you to the generous businesses that support Cerner Charitable Foundation by contributing goods and services. These in-kind contributions allow us to allocate more funds directly to our health and wellness programming and individual medical grants for families in need. In addition to the dozens of generous in-kind donors from 2021, we send a special thank you to the organizations below; they each contributed goods and services valued and \$2,500 or more.

Delta Dental of Kansas  
Delta Dental of Missouri

John Wlodarek

# Volunteer Committees

Thank you to the individuals who volunteer their time to serve on Cerner Charitable Foundation committees. Their expertise, enthusiasm and support enable the foundation to achieve its mission.

## Associate Disaster Relief Committee

When a qualifying natural disaster occurs, Cerner associates on the Associate Disaster Relief Committee review applications from those affected to determine funding.

Aaron Guest  
Allison Hardy  
Erin Kobler

Jessica McClain  
Austin Smith  
John VanGundy

Mary Zeller

## Clinical Decision Committee

Selected through an application process, Cerner associates on the Clinical Decision Committee review and determine funding for individual medical grants.

Kari Baldonado  
Jay Boppana  
Joe Bush  
Jim Butler  
Aisha Tate Casey  
Sarah Clevenger  
Dan Dieso  
Dianna Dodd  
Libby Even

Jill Stegman  
Christy Wright

## Community Ambassador Board

Previous Community Ambassadors (formerly known as Court) and treasured community members serve on our Community Ambassador Board. This exclusive group of business professionals is instrumental in leading the Community Ambassadors, supporting fundraising events and initiatives, and promoting the foundation's mission.

Patrick & Lauren Amey  
Drew & Adrienne Baranowski  
Cory Bittner  
Kit & Erin Boje  
Mallorie Denmon  
Jake Falcon

Alyson Fuest  
Shannon Johnson  
Trevor Kelley  
Jennifer Matney  
Marc & Catherine Middleton  
Mark & Kerri Pomerence

Scott Rowe  
Lynn Sander  
Brad Thoenen  
Todd Vincent  
Anthony Wingrove

## Community Ambassadors (formerly known as Court)

This elite group of business-minded and philanthropically-driven professionals raises awareness and funds for the annual Masquerade Ball while promoting the foundation’s mission in the community.

Angelica Andreoli  
Allison Bosch  
Chris Bouras  
Landon Campbell  
Joe Carlisle  
Olivia Eggleston  
Kitty Gehrt  
Kay Gonzales

Alyson Jacobsmeyer  
Aaron Kabler  
Katie Klaus

Jason Pruitt  
Tanner Rapelye

Jack Ritz  
Sierra Samm  
Autumn Sauer  
Cheryl Skram  
Angela Truesdale  
Shaeley Walsh

## Community Grants Committee

Associates on the Community Grants Committee meet quarterly to review and determine funding for community grants.

Tricia Geris

Josiah James

Sandi Moss

## Event Lead Committee

Key aspects of Cerner Charitable Foundation fundraising events are managed by associates on the Event Lead Committee who create a world-class experience for all who attend.

Ben Bellville  
Elaine Corbin  
Krystal Cunningham  
Lindsay Freeborn

Eric Hofmann  
John Howell  
Renee Martinez  
Jessica McClain

Kyle Santoro  
Jeff Wunsch

## Finance Committee

Cerner associates on the Finance Committee review the foundation's financial statements and meet quarterly to provide guidance.

Amy Abrams  
Amy Freeman-Pierce  
Joanne Freiburger

Kevin Heiman  
Allan Kells  
Leslie Mitchell

## Global Ambassadors

By building awareness, coordinating activities and leading fundraising initiatives, these associates based in Cerner's global campus communities foster involvement in Cerner Charitable Foundation. These committed volunteers drive philanthropy and engagement around the world.

Tati Bertoni (UK)  
Andre Castro (UK)  
Patience Chinwadzimba (UK)  
Meredith Demel (UK)  
Guillaume Devaux (France)  
Philippa Ellis (UK)  
Louise Farrell (Australia)  
Julie Hoare (Australia)  
Becki Garrido (UK)

Emelie Gustafson (Sweden)  
Pallavi Kumar (India)  
Paula Lindgren (Sweden)  
Tessa Malipaard (Benelux)  
Kevin McCann (UK)  
Nora Memran (France)  
Andrew Moran (UK)  
Erin Navin (Australia)  
Andreea Peter (Romania)

Matthew Pickett (UK)  
Jaime Pierce (Ireland)  
Domnic Prashanth (India)  
Distie Proffitt (UK)  
Geoff Segal (UK)  
Lalita Thompson (Australia)  
Ioana Vaida (Romania)  
Rani Virdi (UK)

## Healthe Foundations Teacher Advisory Board

Educators from various backgrounds serve on the Healthe Foundations Teacher Advisory Board, providing feedback and promoting the program to others.

Tracey Barker  
Dana Bedwell  
Tamara Cessna  
Cassie Dolinar

Derek Howard  
Kris Kennedy  
Michelle Lawrence  
Amy McClure

Rhea Moses  
Jennifer Stipetich

## Malvern Advisory Board

By building awareness, coordinating activities and leading fundraising initiatives, these Cerner associates based in Malvern, Pennsylvania, foster associate involvement in Cerner Charitable Foundation.

Dana Horne

Kathy Rowe

Maureen Runyon

# School health program partners

Through valued relationships with schools, Cerner Charitable Foundation is able to bring health and wellness programs to thousands of children each year. Thank you to the schools listed here for their partnership.
